The accompanying schedule of property must also be filled out and sworn to by persons of personal knowledge as to the service and other matters contained in the blank affidavits for witnesses. It is not necessary that the witnesses be residents of the State, but they must have a personal knowledge of what they swear to. All applications not verified by the affidavits of two persons must be rejected. As the application will become an office record, they should be made out carefully and neatly.
The County Board of Examiners must have each applicant (who is not physically or mentally unable to appear), to appear before them, when they must examine the applicant orally as to all matters pertaining to his application, he must, if a male person be examined physically by the medical member of the Board, both oral and physical examination must be by the County Board reduced to writing, and forwarded with the application, affidavits and schedule of property, to the Auditor of the State, to be by him laid before the State Board of Examiners. Should an applicant be unable to appear and represent himself, the Board may take such measures as in their opinion may be necessary to satisfy themselves of the merits of the application. In such cases the full facts of the case must be set out in their written report and recommendation. If one or more of the limbs are lost, or the entire use thereof, or if the applicant is blind, this must be reported, and the applicant placed in the class he may justly belong. All persons who served in the "Militia, State Reserves or Home Guards of the State of Alabama" during the war between the States are eligible to relief under this Act.
