JOHNSTON COUNTY NORTH CAROLINA
ABSTRACTS: DEED BOOKS
A-1, B-1, Transcript-1, D, D-1
1759 thru 1771
VOL. I

Transcribed from: C.056.40001.

Microfilmed by North Carolina Department of Archives and History, Division of Archives and Manuscripts, Raleigh, North Carolina

The deed books of Johnston County beginning in the year 1746 (year of formation) to 1759 were destroyed in a fire. (There is a compiled index of these burned books which lists grantor, grantee and date of deed.) As several of these 'burned deeds' appear to be mentioned in the following abstracts, a separate listing is given on page c of deeds dated prior to 1759 (the earliest being assigned deed #210, dated 17 June 1736.) As the full land descriptions have been included in the abstracts, perhaps some of the 'burned deeds' may be completed.

Deed Book A-1 appears to begin when court sessions began at HINTON'S Quarter (see: JOHNSTON COUNTY NORTH CAROLINA COUNTY COURT MINUTES, 1759-1766, Book I. (Haun) 1974)

Deed Book B-1, besides being BADLY faded with some mutilated pages, contains the following notation: "Book starts with Page 187 All Before that can not be located" - "Many torn pages follow".

Deed Book Transcript-1 (assigned deed #406) begins a transcript of another deed book but unfortunately the original deed book number is not stated. As many of the GRANVILLE & MCCULLOCH Grants listed in Transcript-1 were abbreviated by the clerk, a verbatim transcript of one GRANVILLE Grant and one MCCULLOCH grant is presented on pp. i-v.

Deed Books D & D-1 contain the same land transactions. Both books appear to be transcripts but Book D appears to pre-date Book D-1. The abstracts following were copied from Deed Book D-1 but were also edited by Deed Book D which some times contained additional information. Any additional information in Deed Book D has been included in the abstracts.

The latter part of Deed Book D contains Wills. As JOHNSTON COUNTY NORTH CAROLINA WILLS were abstracted and published in 1975 by Mrs. Elizabeth E. Ross, R.R.D. #1, Box 403, Clayton, N.C. 27520, these wills have not been duplicated.

Except for Deed Book B-1 (whose index is terribly mutilated) the original indices of the above deed books are presented on pp. vi-xi.
